1. Geo & Geo		
2. Geo & Culture/Music/ Literature/Arts	12 th to 24 th of October	<i>This year the EGN week activities were transferred for October due to the implementation of a Leader Transnational project titled "Geoproducts". A special exhibition titled "Geocreations" was organised for 12 days at the center of Heraklion where the products of local artists from Psiloritis geopark using earth material, as well as tradition, culture and natural environment of geopark were presented.</i>
3. Geo & Education
