

European Geopark Weeks 2009

Two special weeks to celebrate earth heritage

All over Europe geoparks dedicate a series of events that point out the exciting aspects of geology and how geology influences the various scopes of life.

The compilation below presents an overview on the events offered in the various geoparks all over Europe. For further information, please contact the geoparks websites.

EGN Week 2009

Name of Geopark: Arouca Geopark - Portugal

Dates of Geoparks Week: 23th May to 7th Jun

Contact person: António Duarte; Artur Sá; Daniela Rocha
geral@geoparquearouca.com

Motto of geoparks week: “Heritage and Science - hand in hand”

Category	Date	Activity / Event
1. Geo & Geo	30th May	Seminary “Plateau of the Freita Mountain – stories of the Earth and the Man” - Archaeology Centre of Arouca and Arouca Geopark Association.
	31th May	Visit “Heritage and science hand in hand” – Integrated in the Activities of the National Agency for the Technology and Science Culture “Ciencia Viva”.
	5th Jun	Wokshop “SOS Earth” Celebration of International Day of the Environment.
	7th Jun	Walking trail “Discover the Geosite S. Pedro Velho Castle Kopje “- Freita Mountain.
2. Geo & Culture/Music/ Literature/Arts	23th may and 24 th May	23th and 24 th - Walking Festival in Arouca Geopark (13 pedestrian trails) with workshop of dances during the afternoon in Arouca.
	29 th May to 7 th Jun	“Water and Energy”: School contest and exhibition of works made by the students from Arouca Schools. Partnership between Portuguese Commission of UNESCO and Arouca Geopark Association.
	29 th May to 7 th Jun	Photo exhibition “Arouca 360° – Heritage and Animation”
	29 th May to 7 th Jun	Photo exhibition - “Around S. Pedro velho Castle Kopje”
	29 th May to 7 th Jun	Exhibition of granite sculptures by Xico Lucena
	29 th may	Open-air Theatre “Justiceiras”
	30 th May	Musical concert “Glamour and Nostalg” by Lucky Duckies
	31th May	Latin Dances by the Latino-American School of Dance
	4 th May	Flute ateliers
	5 th May	Theatre Festival – Secondary School of Arouca

	7 th May	Music Concert by “Deolinda”
	7 th May	Ateliers of dance and ethnography
3. Geo & Education	25 th May	Study visit by EB 2,3 Anadia School – Arouca Geopark Educational Program B
	26 th May	Study visit by Externato Nossa Senhora da Paz – Arouca Geopark Educational Program B
	27 th May	Study visit by Cardoso Pires High School – Arouca Geopark Educational Program A
	28 th May	Study visit by EB 2,3 São João da Madeira School – Arouca Geopark Educational Program B
	29 th May to 7 th Jun	Exhibition of the Geoteca and Interteca Concept and activities
	29 th May to 7 th Jun	“Trilobite Parade”
	1 st June	Celebration of the International Children’s Day
	1 st June	Open-air cinema: “Madagascar 2”
	2 nd June	Study visit by E.B.2,3 S. Lourenço de Ermesinde - Arouca Geopark Educational Program A
	3 rd June	Study visit by Maia High School – Arouca Geopark Educational Program A
4. Geo & EGN/GGN	23 th May to 07 th Jun	Exhibition of the Geopark TV Concept
	23 th May to 07 th Jun	Presentation of promotional material: European Geoparks Book and European Geoparks Magazine

EGN Week 2009

Name of Geopark: ...Lesvos Petrified Forest

Dates of geoparks week: 23rd May – 7th June 2009

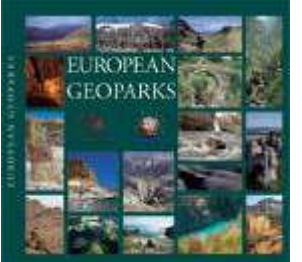

Contact person: Dr. Nickolas Zouros, Kostantina Bedana, Information:
lesvospf@otenet.gr

Category	Date	Activity / Event
	dd.mm.yyy y	
1. Geo & Geo		
	30.05.2009	- LESVOS: “300 million years of geological history in 96 Km”(Metamorphic background, tectonic “graben” of Gera Gulf, ophiolitic cover, volcanic geotopes, volcanic crater of Vatousa, volcanic dome of Ordymnos and Ipsilos Monastery, Lesvos Petrified Forest Park and Natural History Museum of the Lesvos Petrified Forest) (Geological guided tour through Lesvos Island).
	23.05.2009 02.06.2009	- Guided Walk at the “Sigri Plaka Park”: Studying the climatic changes in Aegean history. From the tropical forests to the overland and marine fossiliferous localities of the Sigri Plaka Park.
	31.05.2009	- “Participating in volunteer activities at the Sigri Plaka Park”.
	05.06.2009	- Guided Walk at the “Sigri Park”
	24.05.2009 04.06.2009	
	28.05.2009	- Guided Walk at the “Sigri Park”: Getting familiar with the 20 million years – old petrified root systems.
	31.05.2009	- Guided Walk at the “Sigri Park”: Studying the climatic changes in Aegean history. From the tropical forests to the overland and marine fossiliferous localities of the Sigri Park.

	<p>01.06.2009</p>	<ul style="list-style-type: none"> - Getting familiar with the Lesvos volcanic rocks at the “Sigri Park”
	<p>25.05.2009 29.05.2009</p>	<ul style="list-style-type: none"> - Guided Walk at the “Petrified Forest Park” ”: Studying the climatic changes in Aegean history. From the tropical forests to the overland and marine fossiliferous localities of the Petrified Forest Park.
	<p>06.06.2009</p>	<ul style="list-style-type: none"> - “Observation of the seismic faults of the Natural History Museum of the Lesvos Petrified Forest open area yard”. - “Lava paths: From the volcanic centres to the Petrified Forest”
<p>2. Geo & Culture/Music/Literature/Arts/Sports</p> 	<p>28.05.2009</p> <p>24.05.2009 30.05.2009 31.05.2009 04.06.2009 05.06.2009</p> <p>26.05.2009</p>	<ul style="list-style-type: none"> - Ceramic fossil casts exhibition – inspiration from the Lesvos petrified forest - Guided tour at the exhibition rooms of the Natural History Museum of the Lesvos Petrified Forest - Guided tour at the exhibition rooms of the Natural History

	03.06.2009	<p>Museum of the Lesvos Petrified Forest – The evolution of life</p> <p>- Guided tour at the “Evolution of the Aegean” Museum exhibition room. Aegean geological monuments map.</p>
	26.05.2009	<p>- Documentary: “The Biodiversity of North Aegean”.</p>
	23.05.2009 30.05.2009	<p>- Documentary: “Lesvos Petrified Forest: a unique Natural Monument”.</p>
	28.05.2009	<p>- Documentary: “Travelling in the Western Lesvos and the Petrified Forest”</p>
	06.06.2009	<p>- Documentary: “The Volcanoes”</p>
	30.05.2009 04.06.2009 23.05.2009	<p>- Scientific presentations / Lectures:</p> <p>1. “Petrified Forest – The Pompeii of Plants”.</p>
	03.06.2009	<p>2. “The Lesvos Petrified Forest Geopark: the excavation 2007 - 2008”.</p>

		<p>3. "The Geological Monuments of Aegean".</p>
	01.06.2009	
	06.06.2009	<p>4. "The lava paths: From the volcanic centres to the Petrified Forest".</p>
	02.06.2009	
		<p>5. "Modern and fossilized plants of Lesvos"</p>
	24.05.2009	
	25.05.2009	
	29.05.2009	<p>6. "The evolution of life through stamps" – Dr K. Vasiliadou</p>
	26.05.2009	<p>7. "Seismicity of North Aegean"</p>
	27.05.2009	<p>8. "The Biodiversity of North Aegean"</p>
	31.05.2009	<p>9. "European Geoparks Coffee Table Book"</p>
	30.05.2009	<p>10. "Volunteerism and the Lesvos Petrified Forest"</p>
	29.05.2009	<p>11. "Lesvos rocks and minerals"</p>
		<p>- Guided trekking through the Chichliondas river valley</p>
<p>3. Geo & Education</p> 	<p>05.06.2009</p> <p>29.05.2009</p>	<p>- Presentation of the interactive educational application: "LESVOS PETRIFIED FOREST"</p> <p>- Educational activity: EARTHQUAKES – simulation of strong earthquakes in the new seismic table installation</p>

	<p>23.05.2009 24.05.2009 30.05.2009 31.05.2009 04.06.2009</p>	<p>- Educational programs: - “Young Paleontologists: Excavations of fossil plants in GEORAMA”</p>
	<p>02.06.2009 01.06.2009</p>	<p>- “Fossilized and Modern ecosystems of Sigri Plaka Park” - “Adopting and protecting the fossils. Participating in cleaning and conservation activities at Sigri Park”</p>
	<p>03.06.2009</p>	<p>- “Getting familiar with the natural and geological monuments of Lesvos Island”</p>
	<p>06.06.2009 31.05.2009</p>	<p>- “THEOPHRASTUS: Volcanoes and volcanic rocks of Lesvos Island” - “Getting familiar with the rocks and the minerals of Lesvos Island”</p>
	<p>25.05.2009 26.05.2009 28.05.2009 29.05.2009 27.05.2009</p>	<p>- “Discovering the earthquakes” - “European Geoparks: A journey in the geological history of Europe”</p>
<p>4. Geo & EGN/GGN</p> 	<p>23.05.2009 – 07.06.2009 30.05.2009 30.05.2009</p>	<p>- EUROPEAN GEOPARKS NETWORK EXHIBITION: Exhibition with photos from the European Geoparks and relative informative material. - Guided Walk through the European Geoparks Network photo exhibition - Educational Program: “European Geoparks: A journey in</p>

	30.05.2009	the geological history of Europe” - Presentation: “European Geoparks Coffee Table Book”

EGN Week 2009

Name of Geopark: Harz . Braunschweiger Land . Ostfalen

Dates of geoparks week: 23.05. - 07.06.2009

Contact: Dr. Henning Zellmer, www.geopark-harz.de

Category	Date dd.mm.	Activity / Event
1. Geo & Geo	23.05.2009 15.00– 17.00 24.05.2009, 14.30– 16.30 27.05.2009, 15.00– 17.30 06.06.2009, 15.30-17.00 07.06.2009	"290 Ma Braunschweiger Land" Infocentre "Time travelling to the triassic age" Family Event, Old Quarry Evessen "Time travelling to the Jurassic age" Family Event Old Iron Ore Pit Rottorf am Klei "Time travelling to the Ice age" Family Event Erratic Garden Königslutter „The Old Stolberg and ist characteristics"–Field trip to a unique protected area
2. Geo & Culture/Music/ Literature/Arts	24.05.2009, 15.00– 17.00	DucksteinTour – Stones & Beer -
3. Geo & Education	31.05.2009	Karst Landscape für young discoverer“ – Familiy Event Osterode/Harz
4. Geo & EGN/GGN		

EGN Week 2009

Name of Geopark: **CABO DE GATA-NÍJAR GEOPARK, Spain**

Dates of geoparks week: 25/05/2008 to 05/06/2008

Contact: Park Manager (Rosa M^a Mendoza Castellón) and Geologist (Pablo Rivas Palomo), www.parquenatural.com

Category	Date dd.mm.	Activity / Event
Geo & Culture/Music/Literature/Arts	25.05.08 Several days	-Inauguration of the Week: GeoArt exhibition; local artists linked with geology. with. Participation in Gastronomic Taste. - Gastronomic Fair (speak with Antonia Alcaraz for a workshop and local food tasting). Include this fair in several events: geology course and inauguration
Geo & Education	27.05.08, 28.05.08, 02.06.08 and 03.06.08	-Educational program for kids: (bus included, story telling, guide route and workshops). - Pottery workshop "Shaping the Cape" - Workshop "The alums, 500 years of geoeconomical history" with a talk about the alums and T-shirt Workshop (give T-shirts colors with alums, collaboration with the botanical garden "El Albardinal"
Geo & Geo	30.05.08 31.05.08	- Geology Course, collaboration with UAL for a geobotanical approach of the Geopark. - "500 years alum's history" Visit to Alum mine "Toyo de la Filipa" and Geological and botanical route of the "Cinto" Geobotani
Geo & Education	02.06.08 and 03.06.08	-Educational program for kids: (bus included, story telling, guide route and workshops). - Pottery workshop "Shaping the Cape" - Workshop "The alums, 500 years of geoeconomical history" with a talk about the alums and T-shirt Workshop (give T-shirts colors with alums, collaboration with the botanical garden "El Albardinal"
Geo & EGN/GGN	05.06.08	-Global Environmental Day celebration, 5 of June 09. Presentation of the EGN with a guest from the Network (to confirm). Geoparks conference, MAB conference, WII (Wetland of International Importance) conference and ZEPA conference to the general public, presentation about the environmental values of the Geopark and its international relevance. - Meeting with Granada's Official School of Geologist. Presentation of the EGN.

EGN Week 2009

Name of Geopark: **Copper Coast Geopark, Republic of Ireland....**

Dates of geoparks week: 25/05/2008 to 05/06/2008

Contact: Copper Coast Office, K'nockmahon Bunmahon, 051-292828 / 087 0526010
www.coppercoastgeopark.com

Category	Date	Activity / Event
	dd.mm.	
1. Geo & Geo		<p>- Evening Walks A series of Guided Walks throughout the Geopark held all week Led by local guides each adding their own specialist knowledge of the area Time and Venue:contact Copper Coast Office</p>
2. Geo & Culture/Music/Literature/Arts	23.05.2009	<p>- Step Back In Time (Drama) Evening Outdoor Theatre, Dramatisation of the events which shaped the Geopark. Encompassing both the geological and human history of the Copper Coast. Both an entertaining and informative evening Venue: Tankardstown (Weather permitting) Time: To be confirmed</p>
	25.05.2009	<p>- Up, Up and Away Be blown away by the natural energy of the Wind, Yes, come along for a kite demonstration with the Grandfather of Kite Surfing Mr. Ed Humm, on the beach of Bonmahon. You will see how enjoyable this activity can be and also join in the fun of making your own small kite. Time: To be confirmed</p>
	30.05.2009	<p>- Sand Castle Competition Come join the fun and excitement on the beach at Bonmahon, where you and your team using all your imagination and skills can construct a sandcastle worthy of a king.. Time: To be confirmed</p>
	23.05.2009	<p>- Mosaic on Beach Annestown Beach, Let your children's artistic talent shine through as they use natural materials found on the beach (pebbles, seashells and seaweed) to create a beautiful mosaic with the aid of local artist Sinead Driver. Time: To be confirmed</p>
	25. – 30.05.2009	<p>- Through the Decades -Photography Exhibition Exhibition of old photographs of the Copper Coast throughout the decades to present day. Venue: The Copper Coast Geopark Centre [Ex- Monksland Church, Knockmahon, Co. Waterford - All That Glitters All that glitters is not Gold..... Sometimes it can be Silver, Learn some centuries-old skills still used in the contemporary art of handcrafting jewellery at the Jewellery Making Workshop where you will use basic skills to fashion jewellery from Sterling Silver sheet and wire. Places are limited to12, Booking essential. Venue: The Copper Coast Geopark Centre [Ex- Monksland Church, Knockmahon, Co. Waterford], Date and Time: To be confirmed</p>
3. Geo & Education	25. – 30.05.2009	<p>- Geology Course Evening classes and Weekend fieldtrip. "Introduction to Geology, the study of the Earth", Course Fee: €110. Places are limited to 24, Booking essential</p>
4. Geo & EGN/GGN		

EGN Week 2009

Name of Geopark: **Nature Park Eisenwurzen, Austria**

Dates of geoparks week: 25/05/2008 to 05/06/2008

Contact: .Katharina Weiskopf, www.eisenwurzen.com

Motto of geoparks week:..**The Festival of Geology.**

Category	Date dd.mm.	Activity / Event
1. Geo & Geo	09.06.2009	- The Bears of the Arzberg Cave , New facts on the cave bears of Wildalpen Lecture by Dr. Gernot Rabeder, Professor of Palaeontology at the University of Vienna, Location: Wasserleitungsmuseum, Wildalpen
	27.05.2009	- Friedrich Simony (1813 - 96) , Lecture by Dr. Karl Mais, former director of the Department of Karst and Caves, Vienna Museum of Natural History Location: St. Gallen, Restaurant Hensle
	06.06.2009	- A New Look at Beaten paths: A GeoHiking to the Goss saddle in Gams , Guide: Dr. Heinz Kollmann, 13 a.m.
2. Geo & Culture/Music/ Literature/Arts	07.06.2009	- 10 years GeoCenter Gams , Fête in front of the GeoCentre, Open house in the GeoCentre and the exhibition Silicified trees – treasures from European Geoparks, lecture.
	07.06.2009	The Kraus Cave of Gams – a scientific and historic gemstone of the Nature Park Eisenwurzen Lecturers: Günter Stummer, Lukas Plan, Department of Karst and Caves, Vienna Museum of Natural History
3. Geo & Education	26.03.2009	- The evolution of Life on Earth Lecture by Dr. Werner Piller, Professor of Earth Sciences at the University of Graz, Location: Restaurant Hensle, St. Gallen, Time: 7 p.m.
	06.05.2009	- Training of GeoRaft guides (limited number of participants)
	06.05.2009	- Catastrophes in the Earth´s History : The last 100 million years. Lecture by Dr. Michael Wagreich, Associate Professor of Geology at the University of Vienna
	03.07.2009	Children´s day in the Forestal Museum Silvanum , An afternoon of fun and joyful approach to the secrets of forests and rocks organized jointly by the Nature Park Styrian Eisenwurzen and the Association of the Austrian Forestal Museum Silvanum
4. Geo & EGN/GGN	May – Oct.- 2009	- Silicified Trees - Treasures from European Geoparks Duration of exhibition: May – October 2009, GeoCentre Gams
	24.07.2009	Dance around the volcano , Location: Wasserloch Tavern at the Palfau Wasserloch, Eruptions: 22 p.m., 23.00 p.m., 24 p.m. Scientific comments on volcanoes by Dr. Ingomar Fritz, Museum Joanneum, and on volcanoes in European Geoparks by Dr. Heinz Kollmann Music: Nats

EGN Week 2009

Name of Geopark: **Gea Norvegica Geopark, Norway**

Dates of geoparks week: 02.06 – 07.06

Contact person: Ingeborg Klepp, Mona Holte, www.geanor.no

Category	Date dd.mm.	Activity / Event
1. Geo & Geo	04.06.2009	- Geopark safari in the old carbonatite volcano
	04.06.2009	- Lecture and guided tour of the limestone mines at Norcem
	week 23	- EGN exhibition in Larvik museum – “Gea Norvegica”
	02.06.2009	- Guided tour in the Larvikitt quarry - the Norwegian national rock
	07.06.2009	- Guided tour on Jomfruland – botanique, birds and the ice age
	04.06.2009	- Geo – bio and birds - the history of Mølen
2. Geo & Culture/Music/Literature/Arts	03.06.2009	- Geology, landscape and vegetation, herbs and local food at Auen floristically garden
	06.06.2009	- Cruise on the Langesundsfjord, visiting some famous sites with local food and entertainment
	07.06.2009	- Tour with torch in the Glaser mine and the history of the mining company
	02.06.2009	- geology and archeology - The oldest settlement in Skien
3. Geo & Education	Week 23	- Field trip for eight classes in primary school on different localities
	Week 23	- Field trip for four classes in high school on different localities
	04.06.2009	- Geologist for a day at Mølen, the Ice Age and end moraine, (children)
	05.06.2009	- Geologist for a day at Steinvika and Rognstranda, (children)
4. Geo & EGN/GGN	Week 23	- EGN exhibits in all municipalities, town hall, service and tourist information offices and in some hotels
	Week 23	- EGN/GGN) exhibition at Larvik museum
	29.05 – 12.06.2009	- Geopark (Gea Norvegica/EGN/GGN) exhibition at Telemark museum

EGN Week 2009

Name of Geopark: **LOCHABER EUROPEAN GEOPARK, SCOTLAND**

Dates of geoparks week: June 2009

Contact: www.lochabergeopark.org.uk

Mon 1st	European Geopark Week- Glen Nevis Discover the geology of the Ben and Glen with our expert guides. Minibus leaves Tourist Information Centre Fort William at 10am and 2pm. Adults £5.00 and Children £2.50. Booking essential 01397 705922
Tue 2nd	European Geopark Week -The Crofter's Woodland and the Geology of Ben Nevis 12.10 – 16.45 Meet at the Tourist Information Centre Fort William and then enjoy a short boat trip across the Loch to the walk which takes you to lovely woodland, shoreline and stunning views of Ben Nevis. At the village hall you can purchase teas and home baking. Contact 01397 705922.
Tues 2nd	European Geopark Week- The Road to the Isles Discover the stunning geology of Glenfinnan to Arisaig with our guides. Minibus leaves Tourist Information Centre Fort William at 10am. Adults £5.00 and Children £2.50. Booking essential 01397 705922
Wed 3rd	European Geopark Week- Glen Roy, the parallel roads For many years the "roads" were a mystery, even attributed to giants. Join us to discover the truth. Minibus leaves Tourist Information Centre Fort William at 10am and 2pm. Adults £5.00 and Children £2.50. Booking essential 01397 705922
Thu 4th	European Geopark Week- Ardnamurchan Journey to an area off the beaten track to explore its origins. Minibus leaves Tourist Information Centre Fort William at 10am. Adults £5.00 and Children £2.50. Booking essential 01397 705922
Thurs 4th	European Geopark Week - Graves & Garnets 11.30am Meander through the timeless Roshven Estate whilst picking up little gems of information from the Rangers! Meet at Roshven Farm. Packed lunch and stout footwear required. Booking preferred. Phone: 01687 462 983 / 01967 402 232
Fri 5	European Geopark Week- Glencoe Learn about the ancient volcanoes and more recent events that shaped this glen. Meet at the Tourist Information Centre Fort William at 10am for a minibus tour. Adults £5.00 and Children £2.50. Booking essential 01397 705922

EGN Week 2009

Name of Geopark: **Parc naturel régional du Luberon, France**

Dates of geoparks week: 23/05/09 – 07/06/09

Contact Stéphane Legal, www.parcduluberon.fr.

Motto of geoparks week: Le Luberon fête la géologie

Category	Date	Activity / Event

1. Geo & Geo		.
2. Geo & Culture/Music/Literature/Arts		
3. Geo & Education		- Exhibition on seisms created by the children working on the celebration of the 100th anniversary of the Provence Seism. During all the school year, about 300 children working on this important event will create panels, models, texts... presented to every pupils at the end of the year.
4. Geo & EGN/GGN		- Photo exhibition on European Geoparks at the visitor center of the Luberon Geopark in Apt

EGN Week 2009

Name of Geopark: **Geopark Naturtejo Meseta Meridional, Portugal**

Dates of geoparks week: .27th May-12th June

Contact: Carlos Neto de Carvalho, www.naturtejo.com

Motto of geoparks week: **.With your Earth!**.

Category	Date dd.mm.	Activity / Event
1. Geo & Geo	30.05.2009 30.05.2009 10.- 12. 06.2009	- Zêzere Trail (Orvalho) - Holy Water Trail & Picnic (Idanha-a-Nova) - Trip-Trail Geopark (BTT)
2. Geo & Culture/Music/Literature/Arts		- Dinner & Music at the Mosqueiro Viewpoint (Orvalho)
3. Geo & Education	-5th June	- Monsanto Geo-environmental Meeting of Primary Schools (Idanha-a-Nova)
4. Geo & EGN/GGN		(

EGN Week 2009

Name of Geopark: **North West Highlands Geopark, Scotland**

Dates of geoparks week: 20 May to 4 June 2009

Contact person: Evelyn Mackay / Fiona Mackenzie
www.northwest-highlands-geopark.org.uk

Motto of geoparks week **Become a 21st Century Explorer**

Category	Date	Activity / Event
	dd.mm.	
1. Geo & Geo		- Coastal walks and jaunts celebrating the geology of the North West Highlands Geopark
2. Geo & Culture/Music/Literature/Arts		
3. Geo & Education		- Geoprints art project for primary schools - Culmination of Geology Evening classes
4. Geo & EGN/GGN		- new CD-rom's for European Geopark Network and members in local visitor centres

EGN Week 2009

Name of Geopark: **Papuk Geopark, Croatia**

Dates of geoparks week: 23 May-7 June

Contact person: Goran Radonic, Goran Pavic, www.pp-papuk.hr

Category	Date	Activity / Event
	dd.mm.	
1. Geo & Geo		<ul style="list-style-type: none">- Presentation of Architectural concept for Geo-info Centre which will be built in Voćin.- Opening of new educational trail – “Poljak’s trail” next to the Orahovica city (geology, wildlife, history)- Guided tour by mountain bike, route through different geological features of Geopark- Hiking tour towards Papuk’s karst (Mrezarski rust peak)
2. Geo & Culture/Music/Literature/Arts		
3. Geo & Education		<ul style="list-style-type: none">- Habitat of pubescent oak, what can we find beneath?- Discover and explore Ruzica-grad, unique archaeological heritage through guided tour- Young palaeontologist – looking for fossils of ancient sea
4. Geo & EGN/GGN		<ul style="list-style-type: none">- Geopark Visitor Centre – Open Door Days – presentation of EGN (photographs, leaflets, power-point)- Meet Czech Geopark – Bohemian Paradise, presentation in Pozega’s library

EGN Week 2009

Name of Geopark:**Sierras Subbéticas, Spain.**

Dates of geoparks week:23.05 – 6.06.2009..

Contact person: .. Park Manager (Baldomero Moreno Arroyo) and Geologist (Alicia Serna Barquero),

Category	Date	Activity / Event
	dd.mm.	
1. Geo & Geo	30-5-2009	-Excursion to photograph fossils in rocks -Excursion to sample ammonites, supervised by an expert. The fossil recolected will take part of the future museum.
	23-5-2009	-Guided visit to a salt spring exploitation in the Geopark.
	24-5-2009	-I Geological Photography Contest: The Sierras Subbéticas Geopark. -Gathering to clean the natural site of La Cubé.
	4-6-2009	TALKS: -Underground experiences. Adventures related by speleologists. -Mushrooms: a history of hundred million years. A risky pleasure. Human enemies or allied? -The secret of fossils.
2. Geo & Culture/Music/Literature/Arts	6-6-2008	-Noche Flamenca. Cantes de la Subbética (Flamenco night, songs from the Subbetic) -Watercolour exhibition: „ <i>The colours of the Earth</i> “ -Edition of material: T-shirts and posters
3. Geo & Education	31-5-2008	-„Design an Ammonite“: Painting Contest for Children. The winnig design will be used in several publications of the Geopark, and on T-shirts. -Climbing Wall in Priego
	2-6-2008	-Round Table Debate between Forest Guards from the Geopark and school children.
4. Geo & EGN/GGN	29-5-2008	-Exhibition of fotographs of the European Geoparks. TALKS: -Places to discover: Geoparks. -Geological Wonders in Europe

EGN Week 2009

Name of Geopark: **SOBRARBE GEOPARK**

Dates of geoparks week:29.05 – 07.06.2009

Contact person:Ana Ruiz, www.sobrarbe.com

Motto of geoparks week: European Geoparks Week

Category	Date dd.mm.	Activity / Event
1. Geo & Geo	31.05 & 07.06.2009	- "Geo-day" in the Geopark of Sobrarbe: Guided trips to points of geological interest, by two experts on the geology of Sobrarbe.
	29.05.2009	- Presentation of the No. 0 of the journal "Cotiella" in cooperation with the Scientific Speleological Association Cotiella.
	30.05.2009	-Guided visit to the Museum of Paleontology "Sobrarbe" in Lamata
	06.06.2009	- Confererence "Speological Activities in Sobrarbe"
2. Geo & Culture/Music/Literature/Arts	29.05. – 07.06.2009	- Photo Contest: GEOLOGICAL HERITAGE OF Sobrarbe Geopark
3. Geo & Education	29.05- - 07.06.2009	- Temporary exhibition: "Cotiella, the Sea of Stones". Concerning speleological explorations that have taken place for the last 40 years in the Cotiella Massif, highlighting the important geological value of this mountain massif. -Exhibition on loan from the Geological Mining Institute of Spain. - Exhibition on the work done by Sobrarbe schools, within the educational project "Tell me something about Sobrarbe Geopark"
	30.05.2009	- Rock Workshop: Learn how to distinguish rocks
4. Geo & EGN/GGN	29.05. - 07.06.2009	- Temporary exhibition

EGN Week 2009

Name of Geopark: **Geopark Swabian Alb**

Dates of geoparks week: 23.05.-07.06.2009

Contact person: Kathrin Schiller, www.geopark-alb.de

Category	Date	Activity / Event
1. Geo & Geo	- 23.05.	<ul style="list-style-type: none"> - „Precious water of the Swabian Alb“, guided tour around Berghülen - Guided tour with speleologists above the caves of the Blauhöhlen, Blaubeuren - “Karst and water and the influence on iron smelting and manufacture”, guided tour, Königsbronn - Guided geology tour through the “Realm of the Angel Shark”, Nusplingen
	- 24.05.	<ul style="list-style-type: none"> - Guided tour to the ice age caves of the Lone Valley, Langenau-Rammingen - Whole-day guided walking-tour amidst the Geopark, Bad Urach - Guided tour with speleologists above the caves of the Blauhöhlen, Blaubeuren - Guided tour to the Mössinger landslide, Mössingen-Talheim - Guided tour through former military area in Münsingen - “Habitat and geology of watercourses”, guided tour to the Urach Cascade - Guided geology tour through the “Realm of the Angel Shark”, Nusplingen - “Cave experience”, special opening of the cave “Hohler Fels”, Schelklingen - Guided geology tour through Brown and White Jura, Dotternhausen - “Hidden soil horizons”, guided tour along the nature trail, open-air museum Beuren - Geology and flora of fruit tree grassland at the ancient volcano Jusi, Kohlberg - Guided tour along the rim of the Swabian Alb, Bissingen-Ochsenwang - “Water – cradle, former and robber of the Swabian Alb”, guided walking-tour, Blaubeuren - Guided geology tour through Brown and White Jura, Dotternhausen
	- 25.05.	<ul style="list-style-type: none"> - Guided walking-tour to the Schachen heathland, Ingstetten
	- 26.05.	<ul style="list-style-type: none"> - Guided tour to the ice age caves of the Lone Valley, Langenau-Rammingen - Half-day guided walking-tour amidst the Geopark, Bad Urach - “Dolines and caves”, guided walking-tour, Schloss Lichtenstein
	- 27.05.	<ul style="list-style-type: none"> - Guided geology tour to the Gutenberg Caves, Lenningen-Gutenberg - Guided walking-tour through 200 million years of geology,

		Limburg, Weilheim Teck
	- 28.05.	- Half-day guided walking-tour amidst the Geopark, Bad Urach
	- 29.05.	- Flora of the Swabian Alb – diversity of herbs in the Geopark, guidance through the herb garden of the Alb-Gold visitor centre, Trochtelfingen
	- 30.05.	- “Grave-mounds and dolines”, guided walking-tour through the Irndofer Hardt - Guided geology tour around the Ipf mountain, Bopfingen - “Volcanos of the Swabian Alb”, guided walking-tour, Schopfloch - Guided geology tour through the “Realm of the Angel Shark”, Nusplingen - Guided tour to the ice age caves of the Lone Valley, Langenau-Rammingen
	- 31.05.	- Whole-day guided walking-tour amidst the Geopark, Bad Urach
	- 31.05.-01.06.	- “To the perls above Albstadt”, guided geology tour - “Cave experience”, special opening of the cave “Hohler Fels”, Schelklingen
	- 01.06.	- Guided tour through former military area in Münsingen
	- 02.06.	- Guided visitation of the caves “Gutenberger and Gußmannhöhle”, Gutenberg
	- 03.06.	- Half-day guided walking-tour amidst the Geopark, Bad Urach - Guidance through the former jurassic marble quarry, Schopfloch - Slide show about the Mössinger landslide, Bad Urach
	- 04.06.	- “What is a Geopark?”, special guidance through the open-air museum, Neuhausen ob Eck - “Caves of the Eastern Alb”, lecture, Museum of Natural History, Reutlingen
	- 05.06.	- Half-day guided walking-tour amidst the Geopark, Bad Urach - Flora of the Swabian Alb – diversity of herbs in the Geopark, guidance through the herb garden of the Alb-Gold visitor centre, Trochtelfingen - “Hidden springs, belays and witches’ kitchen”, guided geology tour, Albstadt-Ebingen - “The reef of the Jurassic sea”, guided geology tour, Neuffen - Guidance through the palaeontologic collection of Tübingen University
	- 06.06.	- Tour by hourse-drawn carriage, Laichingen-Machtolsheim - Guided tour to the ice age caves of the Lone Valley, Langenau-Rammingen - “Flora-walking-tour” through Geopark landscape, Ingstetten - Whole-day guided walking-tour amidst the Geopark, Bad Urach - “Hidden springs, belays and witches’ kitchen”, guided geology tour, Albstadt-Ebingen - “Cold pole, grave-mounds and dolines”, evening walking-tour with torches, Albstadt-Truchtelfingen - Guided tour about the landscape formation, Albstadt-Tailfingen - Guided tour through former military area in Münsingen - “Bat listening”, night-excursion through former military area in Münsingen - Guided walking-tour along the rim of the Swabian Alb,

	- 07.06.	<p>Genkingen</p> <ul style="list-style-type: none"> - “Geology-Experience-Seminar”, fossils, oil shale fango and more, Bad Boll - “By horse-drawn carriage into prehistory”, Langenau - “Stone Age caves, celtic cult and a medieval castle”, guided walking-Tour around Straßberg - Guided bicycle tour between Geopark Swabian Alb and Geopark Ries, Neresheim - Geological “search for clues” at Katzenstein castle - Guided tour to the Mössinger landslide, Mössingen-Talheim - Guided walking-tour in the biosphere reserve around Zwiefalten - “35.000 years of artwork at the Swabian Alb”, guidance through the collection of Tübingen University - “Cave experience”, special opening of the cave “Hohler Fels”, Schelklingen - Guided walking-tour around five lakes”, Schömberg - Guided tour to the break in slope of the Danube, Tuttlingen-Möhringen
2. Geo & Culture/Music/Literature/Arts	<p>- 23.05.</p> <p>- 23.05.-24.05.</p> <p>- 24.05.</p> <p>- 26.05.</p> <p>- 28.05.</p> <p>- 30.05.</p> <p>- 30.05.-01.06.</p> <p>- 31.05.</p> <p>- 31.05.-01.06.</p> <p>- 02.06.</p> <p>- 05.06.</p> <p>- 07.06.</p>	<ul style="list-style-type: none"> - “Relax and be creative”, create jewellery with stones, Blaubeuren - „Oil shale and forced labour“, guidance through the former oil shale quarry, Bisingen - Museum’s night with music, mineral museum, Lichtenstein - Bärenhöhle festival, Sonnenbühl - Alb-Guide-Tour to firing charcoal stack, Münzdorf - “Activity day” in the pebble mill, Neidlingen - “Cooking with herbs and flowers of the Geopark”, cookery course, Trochtelfingen - Visit of the salt mine, Stetten - “Geology inspires”, creative work pieces out of stones, Ingstetten - Nebelhöhle festival, Sonnenbühl - Middle ages market, Burg Katzenstein - Cave festival, special opening of the cave “Kohlhaldenhöhle”, Sontheim - “Activity days” in the pebble mill, Neidlingen - “Regional cuisine with Alb lamb and buffalo”, cookery course, Trochtelfingen - “Cooking like the herb women”, collecting and cooking with herbs for children, Sonnenbühl - “Activity day” in the pebble mill, Neidlingen - “Activity day” in the Fossil Museum Dotternhausen, taxidermy of fossils, guidance, music with stones, and more
3. Geo & Education	<p>- 23.05.</p> <p>- 27.05.</p> <p>- 29.05.</p> <p>- 07.06.</p>	<ul style="list-style-type: none"> - Interactive guidance for children through the open-air museum Neuhausen ob Eck - Collecting and analysis of microorganism in watercourses, Gönninger See - Life in Old Stone Age, participation activity in the cave “Hohler Fels”, Schelklingen - “Activity day” for families in the Reef Museum Gerstetten
4. Geo & EGN		

EGN Week 2009

Name of Geopark: **TERRA.vita....**

Dates of geoparks week: .24.5.-7.6.2009.

Contact person: ...Timo Kluttig + Gregor Schüter, www.naturpark-terravita.de

Category	Date	Activity / Event
	dd.mm	
1. Geo & Geo	24.05.2009	- Guided tour to the cretaceous "Schenking" quarry
	24.05.2009	- Listening to birds voices and guided tour to silent witnesses of the Ice age
	06.06.2009	- Early morning guided tour along the Ice Age Trail + breakfast
	07.06.2009	- open doors at the Geo Centre "Hüggel", new paleontological findings, guided tours along the Geotrail and presentation of new "Hüggel guide"
	07.06.2009	- guided tour along Mining Trail No. 4
2. Geo & Culture/Music/Literature/Arts	24.05. + 31.05.2009	- guided archeological tour through the Iron Age at the "Schnippenburg"
	25.05.2009	- Go Nature After Work: Intuitive archery in the Black Chalk pit
	26.05.2009	- Go Nature After work: Building a rope bridge over the Black Chalk Pit
	27.05.2009	- Go Nature After Work: Land Art between 3 mystical geotopes
	05.06.2009	- Guided tour along the Stone Age Grave Trail
3. Geo & Education	05.06.2009	- Event Parcour Megalithic Culture: Stone Age Rally for kids (age 8 - 14)
	07.06.2009	- An afternoon for nature. Learning, having fun, playing + drinks and cake
4. Geo & EGN/GGN		

EGN Week 2009

Name of Geopark: **Vulkaneifel European Geopark, Germany**

Dates of geoparks week: 23.05 – 07.06.2009

Contact person: Dr. Andreas Schüller, www.geopark-vulkaneifel.de

Motto of geoparks week: **On the way in the land of maars and volcanos**

Category	Date dd.mm.	Activity / Event
1. Geo & Geo	26.05.2009	- "Knights, romans and a reef", geological and historical walk along the 380 millions years old Munterlay reef; time: 9.30 - 11.30, meeting point at parking lot Kasselburg
	02.06.2009	- "Dolomites of Gerolstein - 380 millionen years of earth history", geological walk, time: 09.30 - 12.00, meeting point at tourist-information Center, Brunnenstraße 10, 54568 Gerolstein
	05.06.2009	- "Ancient reefs, volcanos and artist in the sky", guided visit at "blue hour" in Nature science museum Gerolstein, time 17.00 – 18.00
2. Geo & Culture/Music/Literature/Arts	24.05. - 01.06.2009	- "Eifelschätze" (Eifel trasures), event and promotion week for the local museums, venue: historic railway depot in Gerolstein-Pelm, more information: www.eifelschaetze.de
	24. – 28.05. 2009	- "Eifel Gold - painting and hiking week Vulkaneifel", 4 days workshop on landscape painting for beginners and advancers, more information: www.artevitalis.de
	04. – 07.06.2009	- "Scenic murders", with brush and easel along the sites of crime of the Eifel crime authors Jacques Berndorf and Ralf Kramp, more information: www.artevitalis.de .
3. Geo & Education	29.05.2009	- Field seminar on volcanological processes in Vulkaneifel with Prof. H-U. Schmincke, GEOMAR Kiel, for amateurs, students and visitor guides, time: 9.00 – 18.00, meeting point: Eifel Volcano Museum in Daun
	06.06.2009	- Field seminar on morphology and soils in Vulkaneifel with Dr. Rainer Dambeck, University of Frankfurt, amateurs, students and visitor guides, time: 9.00 – 18.00, meeting point: village hall Mürlenbach
4. Geo & EGN/GGN	24.05. - 01.06.2009	- European Geopark – corner (installation of a mobile information terminal) at „Eifelschätze“ event from 24.05. – 01.06.2009
