- number of press releases announcing geoparks week events	8
- number of printed copies for program flyer/brochure/posters	500
- number of printed articles on EGN week activities	13
- total number of visitors/participants	950

2. Highlight most successful activities of your Geoparks Week 2013:

During the celebration of the European Geoparks Week, we enjoyed the presence of regional authorities, national media, and the continuous covering of regional media.

We developed activities in 25 municipalities of our Geopark, including 8 primary schools and 2 secondary schools.

Finally we fostered three axes: education, divulgation and dialogue with stakeholders in the territory, in order to improve the management of our project.
