1. Please give the following information:

- number of activities/events during geoparks week 16
- number of press releases announcing geoparks week events 6
- number of printed copies for program flyer/brochure/posters only digital information.
- number of printed articles on EGN week activities 2
- total number of visitors/participants 500 approximately.

2. Highlight most successful activities of your Geoparks Week 2012:

This year, we highlight an exhibition of local products and Geo-products in Santa Rita Visitor Centre and a photography exhibition on European Geoparks in the same centre. One of the most successful activities has been a three-days intensive course on Sierras Subbéticas Geopark for teachers of primary and secondary school (21 participants), organized and taught by the Geopark.
