#### 1. Please give the following information:

- number of activities/events during geoparks week 11
- number of press releases announcing geoparks week events 5
- number of printed copies for program flyer/brochure/posters 2.060
- number of printed articles on EGN week activities 16
- total number of visitors/participants 4.766

#### 2. Highlight most successful activities of your Geoparks Week 2012:

The educational activity “Pyrénées-Monte Perdido: First Settlers” was one of the most successful and novel activity. It was dedicated to elementary schools students, with the aim of promoting awareness of Sobrarbe Geopark and of the important areas inside the Geopark inscribed on the World Heritage List. The activities consisted of work in the classroom, visits, workshops, audiovisual and exhibitions of the students' works.
