Motto of geoparks week:.....None.....

Category	Date	Activity / Event
	dd.mm.	
1. Geo & Geo		(e.g.: excursions, museum-visits, activities at geotopes etc.)
	24 May	Kids' Geology: an afternoon children's event at Killhope Lead Mining Museum.
	26 May	Animal Habitats and Den Building: a children's event at Killhope Lead Mining Museum.
	27 May	Around the Rim of the Cup: a day-long guided walk exploring the geology and landscape of the spectacular glaciated valley of High Cup Gill. The walk finishes for refreshments at a local business, High Cup Winery, which also houses a geology display.
	29 May	Waterfalls and Whinstone: a day-long guided walk starting at Bowlees Visitor Centre, looking at the Whin Sill, waterfalls, ice age features, fossils, mining heritage, prehistoric settlements and wild flowers.
	31 May	A Walk on the Wild Side: an evening event at Killhope Lead Mining Museum.
	31 May	Cow Green to Forest-in-Teesdale: a day-long guided walk through the superb scenery of Upper Teesdale discovering how the area's geology has created the unique conditions for some special arctic-alpine plants.
	1 June	Hazely Hush Guided Walk: an afternoon event at Killhope Lead Mining Museum.
	3 June	Moors and Mines at Allenheads: a day-long guided walk through the fascinating medieval to 19th-century lead mining heritage of Allenheads, once the site of the most productive lead mine in the North Pennines.
	5 June	Rocks and Romans at Epiacum: an afternoon stroll around one of Britain's best preserved Roman forts to discover links between geology and archaeology and how the Romans were mining lead and silver here 2,000 years ago.
	5 June	Wild Flowers of the North Pennines: a day workshop to learn plant identification skills in and around the beautiful Derwent Gorge.
7 June	Rookhope and Middlehope Circular: a day-long guided walk to explore how the Weardale landscape has been shaped by geology, and how past mining and quarrying have affected the landscape and local communities.	
7 June	Wild Flowers and Waders: a short walk by the Harwood Beck in Upper Teesdale to discover the beautiful wild flowers and wonderful wading birds of	

		the North Pennines.
	7 June	Kids' Geology: an afternoon children's event at Killhope Lead Mining Museum.
	7 June	Working with Nature Volunteer Day: an event at Killhope Lead Mining Museum.
	7 June	The Altogether Archaeology Project: evening talk at Killhope Lead Mining Museum about a local community archaeology project.
		(add lines if needed).....
2. Geo & Culture/Music/Literature/Arts		(e.g.: music event, promotion of regional literature, cooperations with artists etc.)
	28 May	Clay Sculpture: a children's event at Killhope Lead Mining Museum.
	30 May	Woodland Sculpture: a children's event at Killhope Lead Mining Museum.
	8 June	Wooden Box Carving: afternoon workshop in the Yurt at Killhope Lead Mining Museum
		(add lines if needed).....
3. Geo & Education		(e.g.: special activity or program for schools and pupils etc.)
	-	-
	-	-
		(add lines if needed).....
4. Geo & EGN/GGN		(e.g.: activities promoting the network or network partners; presenting geopark corners, EGN exhibition etc.)
