	21 or 22 th August	Thematic concert, <i>Tales and songs of the Sulfur's mining tradition of the territory</i>

N.B. This year will be a unusual location to accomodate our EGN week. In according with the LAG (partner and structure of coordination of the RdC Geopark), we decided to celebrate the annual EGN week at the Universal Exhibition - EXPO 2015 inside the Biomediterranean cluster, where we will be present from 17th to 23th August.
