

European Geoparks Week in Vulkaneifel Geopark, Germany

2015

Dates of geoparks week: **22nd May to 7th June**

Contact person: **Julia Franzen, Julia.franzen@vulkaneifel.de**

Further information: www.geopark-vulkaneifel.de

Category	Date	Activity/Event
	dd.mm.	
1. Geo & Geo	24 th May	<i>Multimedia show "The genesis of the Eifel - a geological time travel"</i>
	25 th May	<i>The Fantastic Six: Eifelsteig - Lieserpfad - Burgensteig - VulkaMaar path -Maas Rheinweg - Mosel Our Path – guided geotour</i>
	25 th May	<i>Multimedia show "The genesis of the Eifel - a geological time travel"</i>
	27 th May	<i>Geological landscape walk "to volcanic garden Steffeln" – guided geowalk</i>
	30 th May	<i>The Pulvermaar Volcano - A guided walk around the Pulvermaar</i>
	30 th May	<i>A fantastic view in a village in a Maar - An insight into its origin and history of the earth – guided geotour</i>
	31 st May	<i>Multimedia show "The genesis of the Eifel - a geological time travel"</i>
	3 rd June	<i>Geological landscape walk "to volcanic garden Steffeln" – guided geowalk</i>
	4 th June	<i>The Volcano Crater Tour - A guided walk around the Pulvermaar</i>
	7 th June	<i>Multimedia show "The genesis of the Eifel - a geological time travel"</i>
	7 th June	<i>"The Holzmaar group (primal nature in the Eifel)" – guided geotour</i>
2. Geo & Culture/Music/Literature/Arts	23 rd May	<i>Looking for clues to the scenes of the Eifel thrillers: "Berndorf's Mystery World" - Guided geotour</i>
	27 th May	<i>Between Heaven and Earth - Nature Meets Qigong – guided geo-activity</i>
	30 th May	<i>Magnificent "Eifelblick" Belvedere – guided geotour</i>

	31 st May	<i>Volcanic Zone BadBerrich with the only Glaubersalztherme of Germany</i> - Geo-adventure hike to the crater rim
	2 nd June	<i>Drawing in a picturesque landscape</i> – guided geoactivity
	7 th June	<i>Volcanic Zone BadBerrich with the only Glaubersalztherme of Germany</i> - Geo-adventure hike to the crater rim
3. Geo & Education	22 nd May	<i>Where there were corals...the Dolomites of Gerolstein.</i> Guided Geotour
	23 rd May	<i>Our special Saturday-Program: 12 maars and 1 crater lake – guided tours to the volcanic lakes of Vulkaneifel</i>
	23 rd May	<i>Pulvermaar tells its story...guided walk around the biggest eye of the Eifel</i>
	26 th May	<i>"Gerolsteiner Dolomites – experience 390 million years of geological history" guided Geo Excursion</i>
	26 th May	<i>The hike with Nero the Eifel mouse – guided geotour especially for kids and families</i>
	28 th May	<i>From cold to hot volcano (ism)</i> A guided walk from Pulvermaar Römerberg
	30 th May	<i>Our special Saturday-Program: 12 maars and 1 crater lake – guided tours to the volcanic lakes of Vulkaneifel</i>
	30 th May	<i>Historical Travel around the Rockeskyller head - The "mother" of all Eifel volcanoes – guided geotour</i>
	30 th May	<i>Pulvermaar tells its story...guided walk around the biggest eye of the Eifel</i>
	31 st May	<i>The wild plants in theVolcano</i> - Geological- Botanical geotour in Wartgesberg-Volcano
	2 nd June	<i>"Gerolsteiner Dolomites – experience 390 million years of geological history" guided Geo Excursion</i>

	3 rd June	<i>In and around the Maar</i> - guided geotour on its aquatic ecology
	4 th June	<i>Magical and quite present.</i> Guided geotour Strohn-Pulvermaar-Immerath-Strohn
	5 th June	<i>Where there were corals...the Dolomites of Gerolstein.</i> Guided Geotour
	5 th June	<i>On track of the climate</i> – guided geotour to Strohn-Holzmaar mit Dürre-Maar- Gillenfeld-Strohn
	6 th June	<i>Our special Saturday-Program: 12 maars and 1 crater lake</i> – guided tours to the volcanic lakes of Vulkaneifel
	6 th June	A bombastic Tour to geological highlights – guided geotour to Strohn-Vulkanerlebnispfad-Sprink-Trautzberg-Strohn
	6 th June	<i>Pulvermaar tells its story...</i> guided walk around the biggest eye of the Eifel
4. special events:	28 th May	<p><i>Learning in the land of volcanoes and maars with the partner region Styrian Volcanic Region, Austria</i></p> <p><i>Keynote speeches:</i></p> <p><i>I. valorisation of the landscape using the example of Leader-project "Dauner Maarlandschaft"</i></p> <p><i>II. Environmental Education</i> <i>Environmental education concept in Nature- and Geopark Vulkaneifel, Best Practice</i></p> <p><i>Implementation of environmental education in Styrian Volcanic Region</i></p> <p><i>III. Adding value by valuing</i> <i>Product presentation in the Styrian Volcanic Region</i></p> <p><i>Forum for exchange</i></p> <p><i>14.00 - 17.30 clock: bus excursion / terrain workshop:</i></p> <p><i>I. school of thought - volcano Rockeskyller</i></p> <p><i>II. Mosenberg volcanic experience from 17.30 clock: optional:</i></p> <p><i>Guided Hike to the Heidsmühle</i></p>

	<p>29th May</p>	<p><i>Manderscheid</i></p> <p><i>Public Evening Lecture: Geological Time Travel in Styria and in the volcanic Eifel</i></p> <p><i>parcours on Environmental education - learning around the Weinfeld Maar with interactive teaching modules</i></p> <p><i>information and items on the subject:</i></p> <ul style="list-style-type: none"> • <i>volcanism / Geology - Origin of Maar lakes</i> • <i>Nature conservation through use - 4-legged lawn mower</i> • <i>Ecology / Flora / Fauna - What grows, crawls and flies there?</i> • <i>50 meters of geology</i> • <i>stones and fossils to touch</i> • <i>Agriculture: - land tenure - Livestock on Weinfeld Maar - Must have a stable always be square?</i> • <i>Forest Educational Activities: Forest makes school, Mobile forest and wildlife and nature observation school mobile</i> • <i>Environmental Education from the beginning - Nature Park School / Nature Park Kindergarten</i> • <i>History: - disappeared from the face of the earth (Weinfeld - consecrated field) - And the sky took revenge! (Myths and legends of the Totenmaar)</i> • <i>Local products</i> <p><i>Partners: University of Trier, Rhineland-Palatinate State Forests, Geo museums, DLR Eifel, district Vulkan Eifel, SGD Nord, Foundation Schalkenmehrener Maare, Nature- and Geopark Vulkaneifel, LEADER- Region Vulkaneifel, Eifelverein, NABU, BUND, NEZ Darscheid, regional Gastronomy and partners from the Styrian volcano land in Austria</i></p> <p><i>Target groups: kindergarten groups, school groups, educators and Teachers, students, educational institutions and their support, agriculture, catering, actors, Tourism and all visitors and locals.</i></p> <p><i>Cost: The event is free of charge</i></p>
