Category	Date	Activity/Event
	dd.mm.	
1. Geo & Geo	28 th May	<i>Adventure Piesberg: Fossil Expedition!</i> Children and adults can search for carboniferous fossils. Get yourself an exhibition backpack and explore 300 billion years of earth history
	11 th June	<i>Hiking the tidal flat in the mountains!</i> Guided Walk to the ground of the silver lake and into a limestone-gallery to see the petrified mudflat from underneath
2. Geo & Culture/Music/Literature/Arts	5 th May	<i>A legendary Whitsun-Tour</i> It must have been dangerous times then – The devil roamed the woods, giants threw blocks of rock and sometimes the ground just swallowed blasphemous people... A guided cycling tour around Belm and Rulle
	10 th +11 th June	<i>Culinaria Bad Essen</i> Enjoy local food on the historic market place of Bad Essen: Low prices and live music guaranteed
3. Geo & Education	10 th June	<i>Herbs by the wayside</i> Many precious plants are growing along the paths in summer. Many of them are tasteful or can be used for your own home medicine chest. We will get to know the most important on this guided walk.
	11 th June	<i>Fascinating springwater: The "aviator-wells" of Barkhausen</i> Water is the basis of all living things. We use it for drinking and cooking but also for cleaning. Where does it come from and what's the connection to the forest? A family field trip
